(Form of Ballot)

OFFICIAL BALLOT

SPECIAL GENERAL OBLIGATION BOND ELECTION
SCHOOL DISTRICT NO. 351,
ONEIDA COUNTY, STATE OF IDAHO

March 14, 2023

Shall the Board of Trustees (the “Board”) of School District No. 351, Oneida County, State of Idaho (the “District”), be authorized to issue general obligation school bonds of said District in the principal amount not to exceed $29,000,000 for the purpose of financing the costs of (i) acquisition, construction, furnishing and equipping of a new elementary school, including a multi-purpose room for school services and community events, and all relevant lighting, heating, ventilation and sanitation facilities and appliances necessary to maintain and operate the foregoing building and facilities, (ii) demolition of the existing elementary school and costs related thereto, (iii) demolition of the old high school and costs related thereto, (iv) acquisition construction, furnishing and equipping of new baseball and softball fields for Malad High School, and (v) design work for a new field house and auditorium and costs related thereto; such bonds to become due in such installments as may be fixed by the Board, the final installment of such bonds to fall due not later than September 15, 2026, all as provided in the Bond Election Resolution adopted by the Board on December 20, 2022?

The interest rate anticipated on the proposed bond issue is 4.50% per annum. The total amount estimated to be repaid over the life of the bonds, based on the anticipated interest rate, is $19,744,389, consisting of $29,000,000 in principal and $2,804,750 of interest, less $12,060,361 in estimated bond levy equalization payments. The term of the bonds will not exceed September 15, 2026.

The following tax-impact information is required by Section 34-913, Idaho Code:

The estimated average annual cost to the taxpayer on the proposed bond levy is a tax of $1,389 per $100,000 of taxable assessed value, per year, based on current conditions. However, the District currently has adequate revenues from sources other than a bond levy to fund the portion of the bond payments not funded from state bond levy equalization payments, and accordingly expects that the actual tax impact of the bond per $100,000 of taxable assessed value will be $0.00.
As of March 14, 2023, the total existing bonded indebtedness of the District, including interest accrued, is $0.

| IN FAVOR of issuing bonds in the principal amount not to exceed $29,000,000 for the purposes stated in the question above | ☐ |
| AGAINST issuing bonds in the principal amount not to exceed $29,000,000 for the purposes stated in the question above | ☐ |
